**Notice Inviting Expression of Interest for Technical/Business Association for  
Coke Oven Plant and Equipments**

Heavy Engineering Corporation Ltd., a Government of India Enterprise under Ministry of Heavy Industries, is one of the largest integrated engineering complexes in India that manufactures and supplies capital equipment and machines to core sectors and also executes Bulk Material Handling and Coal Washery projects on turnkey basis from concept to commissioning. It has complete manufacturing set up: right from Melting, Casting, Forging, Fabrication, Machining, Assembly and Testing, all located at one place, backed by strong design-engineering-technology team. (Ref. to [www.hecltd.com](http://www.hecltd.com))

Over the last five decades, HEC has been manufacturing and supplying equipments for Steel Plant, Mining, Mineral Processing, Machine Tools, Cranes, Railways, Defence, Space & Nuclear Research etc. and gained a reputation of reliable quality product supplier.

HEC is looking for a technology partner/business associate for business in upcoming Coke Oven plant and equipment. The equipments to be covered are: Coke Pusher, Coal Charging Car with Screw Feeder, Hydraulic Door Extractor, Loco for coke quenching Car etc. Interested organizations/agencies may write to us showing their interest to associate with HEC for the upcoming Coke Oven Plants and equipments in India and detailing the following:

- About the organization and business profile
- Reference of manufacturing and supply/service in related area
- Brief history on design development of the product
- Performance of the company for the last three years (Balance Sheet)

Response to this Expression of Interest should reach us by **25<sup>th</sup> Jan, 2012 by 5:00 p.m.** (IST) at the following address:
